

The City of Concord provides water, sewer and sanitation to its community members. Customers who receive service outside the city limits may or may not have sewer service.

- A deposit of \$150.00 is required for service.
- Water meters are read primarily every 30 days.
- Bills are mailed to the customer via US Postal service no later than the 1st of each month. This is the only bill you will be mailed.
- Bills are due on the 10th of each month. Payment not received by the 10th will incur a \$10.00 late fee. If the 10th falls on a holiday or weekend, then the customer will have the next business day to make payment without incurring a late fee.
- To avoid loss of service the balance of the utility account must be paid by the 20th of the month. If the 20th falls on a holiday or weekend, the customer will have the next business day to make payment.
- If service is discontinued because of lack of payment a re-connect fee of \$50.00 plus balance that is due will be required to reinstate service.
- Payment options:

Cash, check, money order, debit or credit card (major credit cards). To pay with credit or debit you may pay online at: concordgapay.com or at City Hall. There is a 4% service fee for debit or credit card payments.

For your convenience after hour payments can be deposited in the drop box located to the left of the front door of City Hall. Checks and money orders need to be payable to The City of Concord.

Garbage service is provided by Amwaste, Zebulon, GA – 770-567-1733
